CHURCH PLANTING MISSIONARIES TO ECUADOR
KASON, BETHANY, JAXON, NOAH

Dear Friends and Prayer Partners,

God has greatly blessed us this past August, and we'd like to share some highlights with you.

Internship Program

We completed a successful internship of two months with 10 young people who attended church three days a week. They studied the Bible, learned to play instruments, participated in evangelism, and helped with church projects. It was a joy to watch them grow in their faith and use their summer productively!

Young Ladies' Conference

Bethany organized a young ladies' conference, with over 20 attendees. Lauren Grant, a missionary from Peru, led the sessions, and it was a tremendous blessing for all involved. Please pray for the continued growth of these young women.

University Students' Retreat

We took six university students on a two-day retreat focused on deepening their understanding of the Bible. It was a valuable time of study, reflection, and bonding. We challenged them to live for God and prioritize Him in their lives.

September Bible Institute

In September, we will be studying different religious sects in our Bible institute. Please pray for this study and for those who will be attending, that they may grow in their understanding of the Bible.

Welcoming New Families

We've been blessed with the visit of several new families who are interested in joining our church. Please pray for their spiritual growth as they become part of our church.

Thank you so much for your support and prayers!

God bless,
The Blooms
